25X1

1. A total of about 24 aircraft were observed on Welzow airfield during the period of observation. Only very slight flying activity took place.

2.

25X1

3. All of the MiG-15's had both wire aeriels and a vertical rod aerial which was about 20 centimeters long and located midway between the canopy and the tail unit. The radio signal heard on normal radios on medium wave length has been "GO".
